CURRICULUM VITAE

Positions

Vanderbilt University

2008-present Associate Professor, Department of Human and Organizational Development
(Secondary appointment: Center for Health Services Research)

Arizona State University

2003-2008 Assistant Professor, School of Justice & Social Inquiry, Arizona State University

Education

Rensselaer Polytechnic Institute

Ph.D., Science and Technology Studies, 2003
M.S., Science and Technology Studies, 2002

California State University, Northridge

M.A., English (with distinction), 1996
B.A., English, 1993

Honorary Positions & Awards

2011 Surveillance Studies Book Prize, International Surveillance Studies Network, for the world's best English language book published on the topic of surveillance in the past year.

2011- Associate Editor, *Surveillance & Society*

2011 *Surveillance in the Time of Insecurity* (Rutgers University Press, 2010) selected for Author Meets Critics Session at the Midwest Sociological Society conference held in St. Louis, March.

2010-2014 Elected Council member of the Sociology of Science and Technology section of the International Sociological Association (ISA).

2007- Editorial Board Member, *Surveillance & Society*.

2006-2010 Elected Council member of the Sociology of Science and Technology section of the International Sociological Association (ISA).

2002 Recipient of the Founders Award of Excellence for recognition of academic achievement and campus leadership at Rensselaer Polytechnic Institute.

2000-2 Recipient of 2 academic year NSF-sponsored research awards (“An STS focus on design”) through Rensselaer Polytechnic Institute.

Publications

Books

(in press) Gilliom, J. & Monahan, T. *SuperVision: A Citizen’s Guide to the Surveillance Society*. Chicago: University of Chicago Press.

2010 Monahan, T. *Surveillance in the Time of Insecurity*. New Brunswick: Rutgers University Press.

- Recipient, Inaugural Surveillance Studies Book Prize, International Surveillance Studies Network, 2011.

2010 Monahan, T. & Torres, R.D. (eds.) *Schools under Surveillance: Cultures of Control in Public Education*. New Brunswick: Rutgers University Press.

2006 Monahan, T. (ed.) *Surveillance and Security: Technological Politics and Power in Everyday Life*. New York: Routledge.

2005 Monahan, T. *Globalization, Technological Change, and Public Education*. New York: Routledge.

Grants

External: PI or Co-PI

2010-2012 Collaborative Research: Exploring Homeland Security Fusion Centers. National Science Foundation. Principal Investigator \$332,423.

2009-2012 Privacy Awareness through Branding of Security Organisations. European Commission, FP7 Science in Society. Co-Principal Investigator €964,594. (PI: Leon Hempel) [Grant awarded; funding declined by Vanderbilt University.]

2008 The Use of Implants in Ethical Surveillance Infrastructures. The Center for Interdisciplinary Research [Zentrum für interdisziplinäre Forschung] at Bielefeld University. Co-Principal Investigator €10,000. (PI: Michael Nagenborg)

2007-2009 Effects of RFID Technologies on Organizational Dynamics in Hospitals. National Science Foundation. Co-Principal Investigator \$247,162. (PI: Jill A. Fisher)

2006-2009 Workshops on Surveillance and Society. National Science Foundation. Principal Investigator \$108,807.

2004-2006 Experiences of Surveillance Technologies in Gated Communities and Public Housing. National Science Foundation. Principal Investigator \$76,582.

External: Co-investigator or Collaborator

2009-2011 Phase I Clinical Trials and the Informed Consent of Healthy Subjects. National Institutes of Health. Co-Investigator \$385,048. (PI: Jill A. Fisher)

2008-2014 The New Transparency: Surveillance and Social Sorting. Social Sciences and Humanities Research Council of Canada. Team member / Collaborator \$2.5 million (Canadian) (PI: David Lyon)

2005-2006 Team leader for research on Freedom, Privacy, and Security. Center for Nanotechnology in Society at ASU. National Science Foundation. Co-Investigator \$6.2 million. (PI: David Guston)

Internal

2011 Public Monitoring of Environmental Threats. Scwab Endowment, Vanderbilt University. Principal Investigator \$1,800.

2005 Engaging Radio. Institute for Humanities Research, Seed Grant, Arizona State University. Co-Principal Investigator \$10,000.

2004 Experiences of Surveillance Technologies in Public Places. College of Public Programs, Dean's Incentive Grant. Arizona State University. Principal Investigator \$5,000.

Workshops

Organized

2009 Primary organizer of international workshop on Surveillance and Empowerment. Vanderbilt University, March.

2008 Co-organizer of international workshop on The Use of Implants in Ethical Surveillance Infrastructures. Bielefeld, Germany, September.

2007 Primary organizer of international workshop on Surveillance and Inequality. Arizona State University, March.

Competitively Selected

2011 Participant of workshop on The Expanding Surveillance Net: Ten Years after 9/11. Queen's University, September.

2011 Participant of Cyber-surveillance in Everyday Life: An International Workshop. University of Toronto, May.

2006 Participant of workshop on Generating Collaborative Research in the Ethical Design of Surveillance Infrastructures. University of Texas, Austin, June.

Invited

2011 Participant of workshop on Privacy Awareness through Security Organisation Branding. Temple University, January.

2009 Participant of roundtable on Technology, Privacy, and DHS Fusion Centers. University of Maryland Law School, April.

2008 Participant of workshop on Surveillance & Democracy. University of Crete, June.

2003 Participant of workshop on the History, Philosophy, and Social Studies of Science in the Public Realm. Arizona State University, May.

Presentations

Invited Lectures

2009 Exploring the Surveillance Dimensions of Hospital Identification and Tracking Systems. Dept. of Biomedical Informatics, Vanderbilt University, February.

2008 Plenary lecture: Privacy in America: Balancing the Individual and Society. The E. James Holland Symposium on American Values at Angelo State University, Texas, October.

2008 Implanting Inequality?: Probing the Surveillance Dimensions of Hospital Tracking and Identification Systems. Dept. of Bioethics, University of Crete, June.

2008 Care and Control with Hospital Positioning Systems. The Hixon-Riggs Forum on Science, Technology and Society. Harvey Mudd College, March.

2008 "War Rooms" of the Street: Surveillance Practices in Transportation Control Centers. School of Criminal Justice, Michigan State University, January.

2008 Transportation Surveillance & Security Imperatives in the U.S.. Dept. of Criminology, Law, and Justice, University of Illinois at Chicago, January.

2007 Surveillance, Mobility, and Resistance. Dept. of Communication, University of Illinois at Chicago, November.

2007 Corporeal Control through Information Networks. Dept. of Communication, UC San Diego, January.

2006 Surveillance Cultures: Techno-logics and Symbolic Resistance. Dept. of Sociology, UC Santa Cruz, January.

2006 Freedom, Privacy, and Security. Launch of the Center for Nanotechnology in Society (CNS-ASU). Arizona State University, January.

2005 Neoliberal Security and the Social Construction of Everyday Surveillance. Annenberg School for Communication, University of Pennsylvania, January.

2000 Flexible Spaces & Built Pedagogies: Emerging IT Embodiments. Critical and Cultural Studies of Information Technology, SUNY, Buffalo, May.

Conference Panels Organized or Chaired

2010 Technologies of Citizenship: The Regulation of Identity, Mobility, and Belonging. Invited thematic session chaired at American Sociological Association (ASA) conference in Atlanta, August.

2010 The Uses of Identity. Invited thematic session chaired at American Sociological Association (ASA) conference in Atlanta, August.

2010 Surveillance and Popular Culture. Panel chaired at International Sociological Association (ISA) conference in Gothenburg, Sweden, July.

2009 Surveillance. Panel chaired at American Sociological Association (ASA) conference in San Francisco, August.

2008 Technological Surveillance and Power in Everyday Life. Panel chaired at International Sociological Association (ISA) Forum of Sociology in Barcelona, Spain, September.

2005 Technologies of Citizenship: Surveillance and the Regulation of Difference. Panel co-chaired at Society for Social Studies of Science (4S) conference in Pasadena, October.

2001 Questioning Infrastructure: Everyday Practices in Critical Perspective. Panel chaired at Society for Social Studies of Science (4S) conference in Boston, November.

Conference Papers

2010 Mapping concerns with Homeland Security fusion centers. Paper presented at International Sociological Association (ISA) conference in Gothenburg, Sweden, July.

2010 The Future of Security? Surveillance Operations at Homeland Security Fusion Centers. Paper presented at Law & Society Association (LSA) conference, Chicago, May.

2010 Surveillance Impediments: Recognizing Obduracy with the Deployment of Hospital Information Systems. Paper (with Jill A. Fisher) presented at "A Global Surveillance Society?" conference in London, April.

2009 "Blossoming" Surveillance: Exploring DHS Fusion Centers. Paper presented at American Society of Criminology (ASC) conference, Philadelphia, November.

2009 Social Inequality and the Pursuit of Democratic Surveillance. Paper presented at American Sociological Association (ASA) conference in San Francisco, August.

2008 Situational Awareness of the Security Industry. Paper presented at American Society of Criminology (ASC) conference, St. Louis, November.

2008 Technological Politics of Critical Infrastructure Protection. Paper presented at International Sociological Association (ISA) Forum of Sociology in Barcelona, Spain, September.

2008 Somatic Surveillance. Paper presented at West Coast Law and Society Retreat, University of Hawaii, January.

2007 The Rise of the Apocalypse Industry: Rapture Fiction, Technology, and Crisis. Paper presented at National Communication Association (NCA) conference in Chicago, November.

2007 Corporeal Control through Information Networks. Paper presented at Society for Social Studies of Science (4S) conference in Montréal, October.

2007 Controlling Mobilities: Intelligent Transportation Systems as Surveillance Infrastructures. Paper presented at American Sociological Association (ASA) conference in New York, August.

2006 Marketing the Beast: Surveillance and the Apocalypse Industry. Paper presented at Society for Social Studies of Science (4S) conference in Vancouver, BC, November.

2006 Neoliberal Security and the Regulation of Space. Paper presented at International Sociological Association (ISA) conference in Durban, South Africa, July.

2006 Nothing to Hide: Governing Mentalities of Everyday Surveillance. Paper presented at Crime, Justice and Surveillance conference in Sheffield, U.K., April.

2005 Techno-logics of Residential Surveillance. Paper presented at Society for Social Studies of Science (4S) conference in Pasadena, October.

2005 The Surveillance Curriculum: Risk Management and Social Control in the Neoliberal School. Paper presented at American Sociological Association (ASA) conference in Philadelphia, August.

2005 Electronic Fortification in Phoenix: Surveillance Technologies and Lived Urban Space. Paper presented at Society for Applied Anthropology (SfAA) conference in Santa Fe, April.

2004 Counter-Surveillance as Political Intervention? Paper presented at Closed Circuit Television (CCTV) and Social Control conference in Sheffield, U.K., January.

2003 Globalization and Technology in Public Education. Paper presented at American Anthropological Association (AAA) conference in Chicago, November.

2003 Symbols as Design Agents: Building Technological Infrastructures Across Social Worlds. Paper presented at American Anthropological Association (AAA) conference in Chicago, November.

2003 Fragmented Centralization: Building Technological Infrastructures in Public Institutions. Paper presented at Society for Social Studies of Science (4S) conference in Atlanta, October.

2002 Peering Through the Gates in Los Angeles: Globalization, Technology, and Exclusion in Public Education. Paper presented at Society for Social Studies of Science (4S) conference in Milwaukee, November.

2001 Midnight Trenching at School: The Hidden Networks of Educational Infrastructures. Paper presented at Society for Social Studies of Science (4S) conference in Boston, November.

2001 Ersatz Art Worlds: Productions of Value in Art Education. Paper presented at Society for Literature & Science (SLS) conference in Buffalo, NY, October.

2001 Flexible Possibilities for Participatory Architecture. Paper presented at Committee on the Anthropology of Sci, Tech, and Computers (CASTAC) conference in Los Angeles, June.

2001 IT Parasites in U.S. Student Production. Paper presented at American Ethnological Society (AES) conference in Montréal, May.

2001 Conflicting Global Regimes and Camouflaged Possibilities in Education. Paper presented at Science, Technology, and Globalization conference in Washington, DC, April.

2000 Built Pedagogies and Technology Practices: Designing for Participatory Learning. Paper presented at Participatory Design conference in New York City, December.

2000 Intersections of Alterity: Transformative Flows and Digital Divisions within Public Education. Paper presented at American Anthropological Association (AAA) conference in San Francisco, November.

1999 Virtual Deep Play: Rhythm, Ritual, and IT in Higher Education. Paper presented at American Anthropological Association (AAA) conference in Chicago, November.

1999 Power and Politics in the Technological Transformation of Education. Paper presented at Society for Social Studies of Science (4S) conference in San Diego, California, October.

1998 A New Focus on Managed Care and Alternative Medicine. Paper presented at Society for Social Studies of Science (4S) conference in Halifax, Nova Scotia, October.

1996 Back Home, Down to Earth: The Challenge of Sustainability in Higher Education, the Schools and Society. Panel discussant at American Association for the Advancement of Science (AAAS) conference at San Jose State University, June.

1995 The Labyrinth of Jealousy: The Chaotics of Robbe-Grillet's Postmodern Novel. Paper presented at Society for Literature and Science (SLS) conference in Los Angeles, November.

Teaching

Courses Taught

Ethnographic Research Methods (*Graduate Seminar*)
Globalization & Social Inequality (*Graduate Seminar*)
Social & Cultural Theory (*Graduate Seminar*)
Sociology of Science (*Graduate Seminar*)
Surveillance & Society
Introduction to Justice Studies
Sociology of Organizations
Technological Change & Social Justice
Design, Innovation, & Social Change
Technology & Environmental Problems

Graduate and Postdoctoral Advising

JoAnn Brooks. Project on contemporary security organizations. (Postdoctoral mentor: 2010-2011)

Christopher Carey. Support networks for victims of sex trafficking. Assistant Professor, University Studies, Portland State University. (PhD committee member: completed November 2008)

Ben Cleveland. Designing engaging educational spaces. (PhD committee member)

Matt Cousineau. Unmanned aerial vehicles in domestic airspace. (PhD committee member)

Cassie Duong. Access to essential pharmaceuticals in developing countries. (MS committee chair: completed May 2007)

Megan Derksen. Student perceptions on consumer culture. (MS committee co-chair: completed April 2009)

Danielle Flaherty. Biotechnology implants and the construction of citizenship. (PhD committee co-chair)

Nicole Garcia. Community-based curriculum for mitigating human trafficking. (MS advisor)

Christopher Keyes. Teacher coaching for challenging standards-based curricula. (PhD committee member)

Emily Lample. Grassroots science education programs in Zambia. (PhD committee chair)

Jennifer Mokos. Politics of urban water infrastructures in the U.S. (MS committee chair: completed December 2011; PhD committee chair)

Neal Palmer. Politics of migration in China. (PhD committee chair)

Jill Robinson. Challenges to U.S. assimilation for migrants from the former Soviet Union. (PhD committee member)

Tyler Wall. Militarization of everyday life. Assistant Professor, Department of Criminal Justice, Eastern Kentucky University. (Postdoctoral mentor: 2009-2010; PhD committee co-chair: completed April 2009)

Professional Service

Positions

2007- Board member of the International Surveillance Studies Network.

2007 Program Committee member for the annual conference of the Society for Social Studies of Science (4S).

2002-3 Managing editor of Technoscience: Society for Social Studies of Science (4S) newsletter.

Reviewer: Journals

American Medical Informatics Association; Canadian Review of Sociology; City & Society; Communications of the Association for Computing Machinery; International Review of Information Ethics; International Sociology; Journal of Contemporary Criminal Justice; Journal of Criminal Justice; Journal of International & Intercultural Communication; Journal of Urban Affairs; Museum Anthropology; Qualitative Sociology; Qualitative Research; Social Analysis; Social Forces; Surveillance & Society; The Information Society; Theoretical Criminology; Theory, Culture & Society

Reviewer: Book Publishers

Duke University Press; MIT Press; New York University Press; Routledge; Sage Publications; Wiley

Reviewer: Foundations

U.S. National Science Foundation: Grant reviewer and Advisory Panel member

Social Science and Humanities Research Council of Canada

GEOIDE: Canadian Networks of Centres of Excellence Program

University Service

2010-11 Member of faculty search committee. Vanderbilt Institute for Energy and Environment. Vanderbilt University.

2010-11 Member of the College Senate Academic Standards committee. Peabody College. Vanderbilt University.

2009-10 Member of the College Senate Academic Standards committee. Peabody College. Vanderbilt University.

2008-9 Member of the Graduate Admissions committee. Dept. of Human & Organizational Development. Vanderbilt University.

2007-8 Member of the Graduate committee. School of Justice & Social Inquiry. Arizona State University.

2006-7 Member of Colloquium committee. School of Justice & Social Inquiry. Arizona State University.

2006 Member of Visioning committee for crafting a strategic plan. School of Justice & Social Inquiry. Arizona State University.

2005-6 Member of faculty search committee. School of Justice & Social Inquiry. Arizona State University.

2005 Co-organizer of a graduate student conference on Justice without Borders. School of Justice & Social Inquiry. Arizona State University.

2004-5 Member of Undergraduate committee. School of Justice & Social Inquiry. Arizona State University.

2004-5 Member of Annual Performance Review committee. School of Justice & Social Inquiry. Arizona State University.

2003-4 Member of Colloquium and Computing committee. School of Justice & Social Inquiry. Arizona State University.

2003-4 Member of Organizing Team for ASU's Research Initiative on The Human Dynamics of Homeland Security.

2003 Member of an RPI research group that wrote an NSF Course, Curriculum, and Laboratory Improvement grant for the Institute's Product Design & Innovation program.

1999 Member of RPI's Information Technology research group, which drafted a white paper for the development of RPI's IT Program.

1998-9 Graduate student representative on Faculty Senate Curriculum Committee. Rensselaer Polytechnic Institute.

1998-9 Member of faculty search committee for social studies of health and medicine position. Dept. of Science & Technology Studies. Rensselaer Polytechnic Institute.

1997-9 Editor of Facts and Artifacts, newsletter for the Science and Technology Studies department at Rensselaer Polytechnic Institute.

1997-2000 Host and engineer of Blinded By Science, weekly WRPI radio show for the Science and Technology Studies department at Rensselaer Polytechnic Institute.

1995 Co-organizer of an interdisciplinary conference on Academic Discourse. California State University, Northridge.
